

Established in 2004, the San Buenaventura Conservancy is a non-profit advocacy organization that works through advocacy and outreach to recognize, preserve and revitalize the irreplaceable historic, architectural and cultural resources of San Buenaventura and surrounding areas. We seek to increase public awareness of, and participation in, local preservation issues, and disseminate information useful in the preservation of the structures and neighborhoods of San Buenaventura.

JOIN US!

Support our efforts to preserve our history and culture through education and advocacy.
